How IIDA Texas/Oklahoma Chapter will protect your personal information:

IIDA Texas/Oklahoma Chapter will always protect the personal information that you share with us. IIDA Texas/Oklahoma Chapter stores information internally in a controlled, secure environment. If, for example, you make a purchase online, we route all transactions through SSL (Secure Socket Layers) and will process your credit card number only to secure your current payment. We occasionally hire other companies to provide limited services on our behalf, including packaging, mailing and delivering purchases, answering customer questions about products or services, sending postal mail and processing event registration. We will only provide those companies the information they need to deliver the service, and they are prohibited from using that information for any other purpose.

If IIDA Texas/Oklahoma Chapter requests general demographic information, this information is limited to reporting purposes only; members remain anonymous.

IIDA Texas/Oklahoma Chapter may occasionally present a special contest or promotion that is sponsored by another company. To qualify for entry, we may ask you to provide personal information. If we plan to share that information with the sponsor(s), we will provide an up-front statement to that effect.

Though we make every effort to preserve user privacy, we may need to disclose personal information when required by law wherein we have a good-faith belief that such action is necessary to comply with a current judicial proceeding, a court order or legal process served on our website.
