

2024 SPONSORSHIP CAMPAIGN

Advancing the Profession of Interior Design
IIDA Texas Oklahoma Chapter

WHO WE ARE

IIDA advocates for the advancement in design excellence, legislation, leadership, accreditation, and community outreach to increase the value and understanding of interior design. We are strong advocates for the registration, and/or certification of practicing interior designers who work in a code-impacted environment.

In our IIDA TX OK Chapter 2024 calendar year we will be driving these Advocacy initiatives within our communities; we hope that you will join us:

- Advocacy Signature Event in Every City Center
- Diversity Equity & Inclusion Work Shops
- Advocacy Trivia Night
- IIDA Liaison on Both OIDC & TAID Boards
- Day of CEU's
- Emerging Leaders
- University Outreach & Presentation

We are so fortunate in both Texas and Oklahoma to have strong coalitions. Both TAID and OIDC need our continuous support as they continue their fundraising to use towards monitoring any legislation that might have adverse impacts on the Interior Design Profession and benefits involved in the Interior Design industry.

In 2021, OIDC with the support of funding from IIDA, worked with OK state legislators and volunteers across Oklahoma to pass HB1147. This bill built upon the voluntary registration framework that OK adopted years ago by adding stamp & seal privileges for Registered Commercial Interior Designers. HB1147 was a major accomplishment. Now OIDC is working toward more. They've created a Joint Task Force with the Oklahoma Board of Architects and the Oklahoma AIA and are working together to add a defined scope of practice for RCIDs in OK statutes. We are excited about the tremendous progress everyone has made so far, and we look forward to seeing our advocacy efforts come to fruition in the near future!

IIDA TXOK Chapter 2020-2022 direct impact to coalitions:

\$1000 TAID

\$ 6,500 OIDC

\$45,000 Oklahoma Lobbyist

Thank you for your consideration in supporting IIDA!

WE ARE ALWAYS DEVELOPING PROGRAMS AND EVENTS. CHECK OUT OUR BIGGEST PLANS FOR 2024.

2024 EMERGING LEADERS PROGRAM

The Emerging Leaders Program is a course designed for young professionals standardized throughout the Chapter offered in multiple city centers. Topics focus on business skills that develop and empower the participants into becoming tomorrow's leaders.

2024 DESIGN EXCELLENCE AWARDS

The TOP (TX OK Premier) Design Awards will return to Austin in 2024

In 2016 we created our Chapter Leadership Summit, which brings together members and leaders from all over Texas and Oklahoma for two days of leadership training, networking, and inspiration. CLS 2024 will be hosted in San Antonio.

2024 ANNUAL MEETING

It is important to share our business with our members.

Every year we gather to update our members on the state of the Chapter and share the successes from the past year as well as our goals. All IIDA members and their guests are invited to attend. This meeting is held in conjunction with our Chapter Leadership Summit.

SHIFT24

Our student conference is attended by students from all across the nation.

IIDA SHIFT24, brings together students, professionals, educators, and manufacturers' representatives for two and a half days of academic and professional enrichment. SHIFT24 will be at the Renaissance Hotel Dallas in February.

LEADERS BREAKFASTS

The IIDA TX OK Chapter has the honor of having two cities for this event.

Leaders Breakfast serves to bridge the gap between the design industry and the business leaders. We give designers the opportunity to mingle with business innovators and to join in honoring leaders within the community. This event is held in Houston and Dallas.
