## UNDERWRITING PACKAGE

## UNDERWRITER PACKAGE

The IIDA San Antonio City Center is proud to present Imagine That 2016: A Masquerade on Friday, May 20th at Pat O'Briens. Eight competing teams comprised of local designers are engaged with the challenge of designing a one of a kind mask utilizing materials provided by a product sponsor and materials reclaimed from IIDA San Antonio's Zero Landfill efforts. Each team's mask will be revealed during a runway exhibition and judged in multiple categories. At the end of the night, the masks will be auctioned to the highest bidder. Also, any attendees wearing masks will be entered into an exclusive prize drawing. All benefits from the night's festivities will benefit TAID, an advocacy group that addresses legislative issues which affect the business of interior design in Texas, and sending a group of local designers to NeoCon in June 2016.

Please consider participating in this event by becoming an Imagine That Underwriter. Each level of sponsorship comes with its own rewards and benefits. The success of this event is dependent upon the support of sponsors like YOU to help our city center promote the profession of Interior Design in San Antonio!

Thank you & we look forward to seeing you May 20th!
